Overview

Amrita Devi Foundation is a trust registered under the Indian Trust Act 1882 founded in 2019 with an objective to support people in Uttarakhand, India. We are working extensively towards the betterment of the people of Uttarakhand.

How did we start?

Amrita Devi Foundation was started by some Vigilant, educated youth of Uttarakhand, who took a pledge to do something for the society. During their childhood, they have seen the difficult life of remote rural families of Uttarakhand. Even today there is a lack of basic necessities like education, health etc. No one could have known the plight of these poor families better than these young men.

In such a situation, these youth decided to do something for the economic upliftment of the poor and deprived families living in rural areas. It started with limited resources and some generous donations from big hearted people. The initiative was supported by many selfless activists and volunteers and the Amrita Devi Foundation's family began to grow.
